Education

ABES Engineering College, Ghaziabad, India

2023 – 2027

Bachelor of Technology(B.Tech.) in Information Technology

CGPA: 8.012

Projects

Campus Marketplace

2026

Developed a Campus Marketplace, a platform that enables students to buy and sell items within the campus for quick, convenient, and secure transactions.

- Built a responsive frontend using React.js and Tailwind CSS, providing smooth navigation, product listings, and real-time search and filtering features.
- Implemented backend services using Node.js, Express.js, and MongoDB, enabling secure user authentication, product management, and order handling.

Claim Nova

2025

Developed ClaimNova, an AI-powered insurance claim settlement platform enabling users to process and track claims within minutes through a responsive and user-friendly interface.

- Built the frontend using React.js, Tailwind CSS with real-time claim status updates and smooth user interactions.
- Integrated an AI-based image analysis model to estimate insurance claim costs from uploaded images, improving accuracy and reducing manual assessment effort.

AI-Based Internship Recommendation Engine

2025

- Developed an AI-based Internship Recommendation Engine that suggests personalized internship opportunities to students based on their skills, interests, and academic profiles.
- Built the frontend using React.js, Tailwind CSS, enabling dynamic filtering, user profiles, and an interactive recommendation dashboard.
- Implemented backend services using Node.js, Express.js, and MongoDB, handling user data, preferences, and internship listings efficiently.
- Integrated machine learning models (Python, NLP techniques) to analyze user profiles and recommend relevant internships with improved matching accuracy.

Technical Skills

Languages: C, C++, JavaScript.

Frameworks & Libraries: React.js, Node.js, Express.js, Tailwind CSS.

Databases: MongoDB, MySQL.

Developer Tools: Git, GitHub, VS Code

Concepts: Data Structures and Algorithms, Object Oriented Programming(OOP), Frontend Development.

Achievements

- Qualified for Smart India Hackathon 2025(College Level).
- Earned Problem Solving certifications on HackerRank.
- Solved **500+ DSA problems** on LeetCode and achieved a rating of 1800+.
